### Tapestry Basket—Janet Olney

**Size:** 7" x 6"

**Skill Level:** Intermediate / Advanced

**No. of Hours:** 6-8 Hours

**Cost:** \$70

**Description:** This basket has an inner basket which becomes the mold for the outer, tapestry basket. It is woven with a variety of materials including reed, yarn, raffia, sisal, philodendron sheaths, palm inflorescences, pine needles, mizuhiki, and anything else you want. The basket is build on a wooden base.

### Stylish Storage Basket —Jo Guttormson

**Size:** 10" x 10" x 4 1/2"

**Skill Level:** All Levels

**No. of Hours:** 4-5 Hours

**Cost:** \$37

**Description:** This square basket is the perfect solution to that shelf that needs a little help. With a self-handle on one side, this makes the basket function as a drawer. Fill with items, push it into the shelf space and everything looks nice and tidy and out-of-sight. Great in a cupboard or on the lower shelf of the coffee table. If you prefer, put a handle on both sides and change the function to a tray-like tote. Either way it will be stylish!!

### Strapping Planter Basket—Sandi Quint

**Size:** 4" x 6"

**Skill Level:** All Levels

**No. of Hours:** 5-6 Hours

**Cost:** \$25

**Description:** This simple twill basket is made completely from recycled materials—in this case strapping—the stuff that comes around boxes for shipping. This sturdy material is made from vinyl, so it is practically indestructible!

## Classes for February 23, 2008

### Open Ribbed Basket—Louanne Hipp

**Size:** 5-6" wide, 7" high

**Skill Level:** All Levels

**No. of Hours:** 4 Hours

**Cost:** \$20

**Description:** This basket is very utilitarian and roomy. Two round 8" hoops are placed at an angle to create an open basket. Basket can be woven with handle openings or not. Ribbed basket has 4 point lashed God's eyes; round reed (dyed will be available) and flat oval are used for ribs. Instructor will have natural, smoked and dyed flat reed and sea grass for you to create your unique ribbed creation.

### Wagon / Cradle—Bonnie Becker

**Size:** 11" x 7" x 5" high (without the handle)

**Skill Level:** All Levels

**No. of Hours:** 4-5 Hours

**Cost:** \$34

**Description:** The wagon is woven with round reed on a solid wood base. Spokes are round reed also. An accent of colored reed and a row of wooden beads add interest to the weaving. (Color choices will be available.) Most of the wagon is woven with a three rod wale. The wagon is finished with a woven border. It makes a great baby gift or a fun spot for a favorite stuffed animal

## Classes for March 29, 2008

### Counter-Square Basket—Tressa Sularz

**Size:** 7.5" wide / 5" high

**Skill Level:** All levels - must have some basketmaking experience

**No. of Hours:** 5-6 Hours

**Cost:** \$40

**Description:** Things are not always what they seem . . . This basket has a basic square grid woven base and compact woven sides in a balance weave. As the basket begins to have shoulders, the weave becomes diagonal and opens up leaving space between the spokes and weavers. At this time, new corners are formed on the sides. A neck is created with plain weave and the rim is double wrapped, creating a nice finish.

### Not Just for Apples Market—Paul Scarpari

**Size:** 16" X 16" at the base, expanding to 18" X 18" at the top

**Skill Level:** Advanced Beginner

**No. of Hours:** 4-5 Hours

**Cost:** \$55

**Description:** This basket is a replica of one Paul found in his neighbor's garage for use in an apple orchard. That one was made from 1" maple slats. This will be made with 1" flat reed and leather handles.

### Confetti Vase—Jo Guttormson

**Size:** 4" X 8"

**Skill Level:** All Levels—not a first basket

**No. of Hours:** 4-5 Hours

**Cost:** \$32

**Description:** Create a lovely vase by weaving around a glass insert. Starting on a wooden base for stability, shaping will be the challenge as the insert must fit, and also slip in and out. Space-dyed reed gives the look of confetti. Waxed linen lashing insures a smooth inside rim. Filled with a bouquet of blooms this will be any weaver's favorite vase.

### Freeform Peyote Bracelet—Susan Coyle

**Size:** varies by artist

**Skill Level:** All levels

**No. of Hours:** 4+ Hours

**Cost:** \$55

**Description:** Has free form peyote baffled you? Come and learn this easy technique in a beaded bracelet with beautiful glass beads. Learn to add focal beads, bridges, ruffles, and many more embellishments. Bracelet may not be finished in class, depending on how elaborate you want to make it. Plenty of beads and thread included for another project, but not findings. You will learn to make your own clasp, or where to purchase them. Peyote experience helpful, but not required. Must be able to see size 11 seed beads! Bring a lamp if desired, everything else will be provided, however if you have a collection of small focal and accent beads, you may bring them to learn how to incorporate them into your project.

### Pine Cone Carrier—Ellie Lida

**Size:** 14" x 8" x 13"

**Skill Level:** All Levels

**No. of Hours:** 5-6 Hours

**Cost:** \$36

**Description:** Fun to weave and lots of uses! Round reed with a ceramic hand-rest becomes the handle for this oblong cathead basket. Use narrow flat oval smoked reed teamed with deep sage, topped with a coordinating "pine tree" ceramic handle. To make it less cabin-y or "woody", you may choose a navy / burgundy combo with a matching variegated hand-rest.

### Antler Basket—Nancy Miller

**Size:** varies

**Skill Level:** Open (have an idea of what you want in a basket)

**No. of Hours:** 6+ Hours (finish on your own)

**Cost:** \$30 with your antler, \$40 with my antler
