

# Minnesota Basket Weaver's Guild

## Membership Information

- The Minnesota Basket Weaver's Guild was formed in April of 1997
- Membership is open to all
- Cost of Membership is generally \$25.00. We are currently moving our fiscal year to match our program year, not the calendar year. In the transitional year of January 2019 through August 30, 2019, membership dues are reduced to account for the shorter year. We return to regular dues September 1, 2019 for 2019-2020. See the current membership form for specific information.

The Guild offers a special membership price to members who take out a Textile Center membership at the same time. See the current membership form for specific information.

- Non-members will be charged \$5.00 above the class fees after their first class
- Guest weavers are welcome. There is always an open weave table so you can bring your own projects to work on.
- There is no extra charge above class fees for non-members for their first class.
- Guild membership runs September through August beginning in 2019. We have a short transitional cycle January-August 2019 as we move to this new fiscal year. Dues may be paid any time after October 2018 for the transitional 2019 year, and any time after April 1, 2019, for the 2019-2020 year.
- Newsletters are published quarterly in January, April, July and October
- Unless otherwise noted, meetings are held the fourth Saturday of the month at:

**The Textile Center of Minnesota (TCM)**  
**3000 University Avenue SE**  
**Minneapolis, MN 55414**

Unless otherwise noted, meeting times are:

8am – 9am	Set up tables, meet and greet
9am – 3pm (approx.)	Class time and open weave
12 noon	Informal business meeting

**NOTES:** Lunch time is on your own - bag lunches are suggested  
Meet and Greet, Informal business meeting, Class from 9-? Times vary by class.

Space is always provided for weavers who choose to bring materials to weave on their own (the "open weave" table)

Please join us for a visit! Registration and payment for classes must be paid in advance, so that the instructors can plan for the class, but visitors are welcome to come to the "open weave" table, or to just come and visit. There are sometimes more than one class offered per month, but you may not get into your first choice class.
